

Community rallies support for military families-Fallen Patriot Ride

The community is coming together to support military families with the most important motorcycle event of the year, the Fallen Patriot Ride. For the first time, the Templar Knights Motorcycle Club will be leading a large group of motorcycles to state veteran's memorial sites to raise money for military charities. Participants will be placing flags at specific locations and on the graves of Utah's Heroes at the State Veteran's Cemetery.

Chance to win a \$30,000 Big Dog motorcycle with only a \$25 donation, and local businesses have come together to offer special deals and discounts during and after the event.
