

Thanks for your vote to permit me to serve as District Commander for 2009-2010 (June-June)...I agreed to serve once you gentlemen agreed to help me with Post visits. It is impossible for me to visit all of the Posts as I have a fulltime job and am involved with two other organizations ---as you all know. Thus, I will need your help in visiting and having Post Info and Analysis forms filled outasap. The assigned Posts are as follows:

Bob Sands ----Post 90 (StG), Beaver and Panguitch posts.
George Strutzel--Post 100 (Hurricane), Kanab and Enterprise posts
Denny Lammers--Post 74 (Cedar City), Parawan, Orderville posts

I will cover Post 142(SunRiver), post 81(Minersville),post 18 (Cannonville), post 114 (Escalante) and post 16 (Milford)----which are the ones with most ' ills' and needing dramatic help. This will enable us to get the entire District 7 posts covered and get Forms filled out for State and Area leaders----which will indicate where these posts need the most help. ALL OF THE POSTS NEED HELP ---- to acheive our goals of getting NEW BLOOD and increasing the VISABILITY of American Legion in their specific towns / areas , assisting the Veterans / Young people / community in their area. We shall meet in next week or two to give you the forms and discuss the goal of our District. Meeting will be in my house in Hurricane --- day/time later.

A special " Community Award " certificate from the AMERICAN LEGIONwill be given to each of you----so you can copy and hand to each post you visit. This is an example of what they can do in their communityto make AL more visible

If your wife is member of AL Womens Auxillary and will go with you to these visits, please have her contact Bonnie (President of Womens District 7 Auxillary) at 435--7735913. Thanks

God bless you and our Country,

District 7 Commander
