

BUGLES ACROSS AMERICA

<http://www.buglesacrossamerica.org>

March 11, 2011

Mr. John Sheets, Commander
American Legion District 2
1368 W. Fairway Cir.
Farmington, UT 84025

Dear Commander Sheets,

Subject: ***“Live” Buglers***

My name is L. Brent Christensen; I am the State Director for Bugles Across America.

Bugles Across America (BAA) is an all-volunteer organization of buglers that are available to perform ***“live” TAPS for funeral honors.***

Why Bugles Across America? BAA is a 501 (c) (3) NFP Corporation established in response to the critical shortage of Buglers in all Military Services to perform promised funeral honors for deceased veterans. The mission of BAA, NFP is to support the Department of Defense Directive 1300.15 pertaining to Military Funeral Honors Protocols.

We currently have forty-three buglers in Utah and are hoping to recruit many more. Members of our Armed Forces or Family members may request a bugler for funeral honors by going to:

<http://www.buglesacrossamerica.org>.

Click on the “Request A Bugler” tab. In-put the required information.

Requests from Members of our Armed Forces or Family Members for “a live bugler” will be responded to within in five minutes and one of our buglers will contact you or your designated Funeral Director; USPFO for Utah.

I would appreciate your help in the distribution of information concerning Bugles Across America and our mission to perform “live” TAPS for our fallen comrades.

Service members do not need “boom-boxes,” or electronic tweeters. Family Members are requesting, “Live Buglers and we will honor their wishes through VA, Active/In-active, military and, all Veterans Organizations.

Please feel free to contact me at any time.

Sincerely,

L. Brent Christensen, MAED, Ed.M.
State Director
