R.E.: Groundbreaking Ceremony Veterans Home / Payson

The Utah Department of Veterans Affairs is pleased to announce the Ground Breaking Ceremony for the new Veterans home being built in Payson. This new facility is a financial cooperation between the U.S. Department of Veterans Affairs and the State of Utah Department of Veterans Affairs. It will serve Veterans from central Utah in general, but will be open to all Utah residents who qualify as Veterans. The Home will employ approximately 150 people via a private sector provider, hired mostly from the local communities, making it a welcome entity in that part of the state. Construction will take place on 10 acres of land donated by the Church of Jesus Christ of Latter-day Saints.

Join us for this very important celebration!
