Subject: S.A.L. Campout

Gents:

The Utah Sons of the American Legion is sponsoring our first ever ANNUAL CAMP OUT and Detachment Convention. We'd love to have all y'all show up for some great visiting, to meet other Son's and their families and to see a bit of the LaSal mountain range. Please pass the word to your members and any other interested parties. More directions are provided below by our Commander, Dave Swafford who has gone out of his way to make this first ever Sons of the American Legion, Detachment of Utah campout and Detachment Convention a good one we'll all remember. Also, please pass this message on to any one I don't have in my address book who may be interested. Thanks Commander Dave for all your hard work.

The campout dates are August 13th thru the 15th, 2010 in the LaSal Mountains. Saturday night dinner will be a pitch in dinner with the Utah Son's providing the meat. This will be a dry camp and it is suggested that if you are in a camper, fill your water tanks prior to arriving at the camp site. We will have (2) two port-a-johns on site. The directions to the camp site are as follows:

From Moab, Utah go south on Hywy 191 to the LaSal Junction (SR46), and turn left. This will take you to the town of LaSal.

Starting at the LaSal store go East on State Road 46 about 3.5 miles and turn left onto Two Mile Road. Continue straight, barring to the right at all intersections, 8.0 miles. The camp site will be on the right. Route will be marked with red ribbon starting at the intersection of SR46 and Two Mile Road.

If you have any questions contact me (Commander Dave Swafford) at (435) 686-2397 Hm or (435) 260-8312 Cell.

Dave Swafford

Gents:

Please RSVP by calling Commander Dave @ (435) 260-8312 (cell) or (435) 686-2397 (home) prior to August 1st if you plan on attending. Again, please join us for a fantastic get together, some great visiting and to get to know each other.

God Bless

Bob Jones, PNVC/NEC
